IAK Sports Festival Summer 2011

At the most recent meeting of the IAK Executive Committee, we discussed the annual sports festival. Although everyone agreed that there was a great deal of community interest and participation in the tournaments, we took into consideration some of the suggestions put forward by community members on how to improve the event. Hence, we decided to involve more people, especially members of the executive committee, in the organization of the event.

Following are the events and the lead organizer of the event.

If you want to participate in any of the events, please contact the organizer of the event by the deadline - **May 15, 2011**.

There are **two rules** that apply to all tournaments:

1. Participation in these competitions is free for IAK members. Non-members will have to pay **\$5.00 entrance fee** for each event.
2. If enough participants do not sign up for any tournament the event will be cancelled and entrance fee returned to those who paid them.

Dalai Lama was asked "What thing about humanity surprises you the most?" His answer was as follows: "Man, Because he sacrifices his health in order to make money, then he sacrifices his money to recuperate his health, then he is so anxious about the future that he doesn't enjoy the present, then as a result he doesn't live in the present or the future then he lives as if he's never going to die, then he dies having never really lived."

A man is incomplete until he is married.

Then he is finished.

A little boy asked his father, "Daddy, how much does it cost to get married?" Father replied, 'I don't know son, I'm still paying.'

Then there was a woman who said, 'I never knew what real happiness was until I got married, And by then, it was too late.'
